Pump out service is free to all recreational vessels in unincorporated Monroe County Florida and is funded in part by the U.S. Fish and Wildlife Service Clean Vessel Act through the Florida Department of Environmental Protection and Monroe County Florida.

All vessels must pre-register for pump out service. The registration form may be completed on line at www.po-keys.com or you may mail your registration form to PO Box 510454 Key Colony Beach FL 33051.

After your vessel is registered with the service one of our captains will contact you to inform you of our weekly schedule and what day of the week he will be in your area.

Service is offered once per week only and we are unable to perform on demand pump outs, please go to our website to view our weekly schedule.

It is our mission to prevent the discharge of waste water in to the waters of the Florida Keys. You should be aware that it is unlawful to discharge waste water within nine miles of the Gulf of Mexico and within three miles of the Atlantic Ocean or in to the waters of the Florida Keys National Marine Sanctuary.
